

Pour démarrer

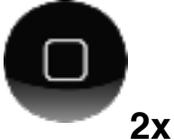

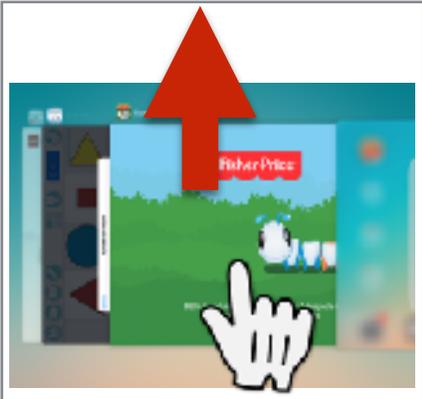

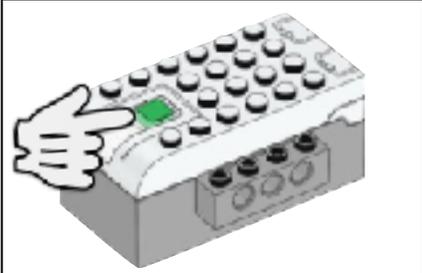

1	 An icon of the WeDo 2.0 application, featuring a small robot and the text 'LEGO education'. A hand cursor is pointing at the icon.	Ouvrir l'application
2	 A screenshot of the WeDo 2.0 software interface. It shows a top navigation bar with the LEGO logo and 'education' text. Below is a main area with a 3D model of a robot and a grid of programming blocks. A hand cursor is pointing at one of the blocks.	Repérer la page de programmation.
3	 A screenshot of an Android home screen. At the bottom, there is a dock with several app icons, including a red one with a white robot icon. A hand cursor is pointing at this red icon.	Toucher l'icône de la brique.
4	 A close-up photograph of the WeDo 2.0 brick. It is a grey rectangular block with a green button on top. A hand cursor is pointing at the green button.	Appuyer sur le bouton de la brique.
5	 A screenshot of a Windows PC desktop. A dialog box is open in the center, titled 'Ajouter un périphérique', with a list of nearby devices. A hand cursor is pointing at the dialog box. The taskbar at the bottom shows several application icons.	Associer la brique.

* S'assurer qu'il y a deux piles AA dans la brique intelligente et que le Bluetooth est activé (Réglages).

Pour fermer

1		Revenir à l'écran d'accueil.
2		Cliquer 2 fois sur le bouton central.
3		Faire glisser l'application vers le haut.
4		Appuyer sur le bouton de la brique pour l'éteindre.
